

Administrative Law Judges Model Code of Judicial Conduct.

CANON 1

A STATE ADMINISTRATIVE LAW JUDGE SHALL UPHOLD THE INTEGRITY AND INDEPENDENCE OF THE ADMINISTRATIVE JUDICIARY.

An independent and honorable administrative judiciary is indispensable to justice in our society. **A state administrative law judge should participate in establishing, maintaining, and enforcing high standards of conduct and shall personally observe those standards so that the integrity and independence of the administrative judiciary is preserved.** The provisions of this code shall be construed and applied to further that objective.

You will not see that kind of conduct with Glenn Murray, Administrative Law Judge for the NY DMV. Listen to how he implements his [high standards here](#), or review his ['words and conduct' here](#).
