Cori Kowalski fits the definition of a Nazi Jack booted thug and everything that is wrong with the police these days. Cori is employed at many locations in Western New York and always wears a body cam which disappears when it shows him committing criminal activity. He is employed at numerous locations in western New York and really enjoys destroying peoples lives. He has no problem committing perjury on the stand to cover up his criminal activity. [He now is employed in Ellicottville, Salamanca, Hamburg and Franklinville and possibly Gowanda.](#) He appears to be employed in Hamburg, New York full time.

[In one instance he shot out a window of one of his victims within 30 seconds](#) of pulling him over then he would then stomp on his victim which caused serious head trauma. Then, with the [assistance of Ellicottville Police and Cattaraugus County Sheriff's](#) would cover it up. Kowalski even had assistance from the [Olean General Hospital which helped cover up the injuries](#) his victim sustained, which included a serious head injury that caused unconsciousness. Olean General would also spike the blood sample of the victim in order to make it appear that the victim was intoxicated, in order to cement the blame on the victim, which failed.

There are now victims of his criminal conduct coming forward seeking justice. If you have any problems with Cori Kowalski please forward your complaints to us. Cori is a total wimp, he once was getting beat up by a local who had enough of his BS that another citizen had to stop the fight. Cori is nothing without his piece of metal, gun and gang to back him up. He's one of those fake social justice warriors but is very dangerous because he carries a gun.
